Australian Greens(SA) Membership Form

Join The Australian Greens (SA)

Australian and world politics need change. This change will only come through each and every one of us standing up and saying we want things to be different.

One way to make this statement is to join the Greens and join our effort to achieve a more caring society that is focussed on a sustainable, long term future for the planet and its inhabitants.

Right now is the perfect time to become part of the solution

The Greens are a party that values the participation of our members in decision making and we want to hear your ideas, your thoughts and your passions. In the Greens we hope you will find the company of like minded people.

The Greens stand for:

- Social Justice
- Peace and Non Violence
- Ecological Sustainability
- Participatory Democracy
